“ With regards to the installation – The team is superb! They are incredibly efficient and they do a great job from start to finish. I was very happy with their creativity on the last delivery especially and how they set up the open areas we had. Top notch gents indeed. ”

# CONTRACT FURNISHINGS

Since 1990, Avant Contract Furnishings has been meeting the needs of tomorrow's workforce. Our clients are left with an "above and beyond" feeling of satisfaction as we transform their office into an agile work space that their customers can't help but love.

We believe that purchasing furniture is an emotional decision - even for the office. Time, care and consideration are taken at every step to ensure the right lines, colours, contrasts and look are obtained that reflect a client's personality and requirements.
